

Preferred Outpatient Dialysis Providers

The Benefits of Better Health

GEHA manages dialysis care through our Preferred Outpatient Dialysis Network.

Important information about dialysis care:

- Dialysis requires an annual preauthorization at each of the facilities where a member receives dialysis. To precertify your care each year, call GEHA at 800.821.6136.
- Please be aware that the GEHA network is subject to change.
- When you make an appointment, please verify that the facility is still in the GEHA network.
- If you choose to get dialysis care at a provider not in the network, out-of-network benefits will apply.
