

# GEHA plan members pay only \$10\* for convenient, affordable health care at MinuteClinic®\*\*.

Visit MinuteClinic inside select CVS Pharmacy® and Target stores.

No appointment necessary.  
Open 7 days a week,  
including evenings.

**Present your insurance card when you or your covered dependents visit the clinic.**

## Our practitioners can:

- Treat common illnesses like strep throat, earache, pink eye and sinus infections
- Treat minor injuries and skin conditions
- Provide vaccinations such as flu, pneumonia and hepatitis A/B†
- Write prescriptions, when appropriate
- Treat patients 18 months and older

**For more information, to view wait times and schedule a visit, go to [minuteclinic.com](https://minuteclinic.com)**

\*Preventative services and flu shots are covered 100%. MinuteClinic services may vary by state. Patients must be 18 months or older in most states, 24 months and older in KY. Lab fees may be billed separately and could be subject to the deductible and co-insurance. Select services, such as sports and camp physicals, are not covered under your benefit plan and therefore require full payment.

\*\*Copay applies to High and Standard Option plan members only.

†Flu shots available when immunizing pharmacist or MinuteClinic practitioner is on duty, while supplies last. Flu shot available to patients 18 months and older; 24 months and older in KY; 5 years and older in CT. Pneumonia vaccination available for patients 2 years and older in most states. Visit [minuteclinic.com](https://minuteclinic.com) for details.
