YOUR HIGH OPTION MEMBERSHIP GUIDE

GEHA[®]

**Thank you for choosing GEHA.
We're glad you're here.**

Welcome to GEHA.

This guide gives you an introduction to your exclusive GEHA member-only benefits and programs.

Thank you for choosing GEHA's High Option medical plan for your medical care coverage. We know you have many choices, and we truly appreciate the trust you've placed in GEHA.

Established in 1937, GEHA provides federally focused and affordable medical and dental plans designed exclusively for federal employees.

It is our goal to serve you with only the utmost trust, transparency, honor and integrity every step of the way.

Do your possible in 2020.

This is a brief description of the features of Government Employees Health Association, Inc.'s High Option medical plan. All benefits are subject to the definitions, limitations and exclusions set forth in the federal brochure.

- ▶ Your account gives you access to member-only services.
- ▶ Print ID cards.
- ▶ Track claims and deductibles, update communication preferences and more.
- ▶ Select how to receive your Explanation of Benefits (EOB) under Update Info & Preferences. Choose from U.S. mail or email.

A quick guide to your medical plan ID cards.

Check your mailbox. Your GEHA medical plan ID card will come from CVS Caremark.

GEHA medical plan ID cards are issued in the name of the subscriber who enrolled in the medical plan through FEHB. All members covered by this plan will use the card with the subscriber's name. Use this medical ID card for medical care at a doctor's office or hospital as well as for prescriptions at a CVS Caremark network pharmacy which include: RiteAid, Walgreens, Walmart and more.

GEHA partners with a number of medical networks across the country. If you call your provider to confirm that they are in the GEHA network, please have your GEHA ID card handy. You'll want to ask the provider if their specific location(s) participate in the network indicated on your card.

Get help coordinating your care, step by step.

GEHA's Care Management department offers personalized help with your health care.

Whether you are newly diagnosed, facing an acute health care episode, or living with a chronic condition, you have access to one-on-one attention with a personal health care nurse functioning as your health care partner.

Our goal is to keep you in the best possible health, so you can live your best life.

If you have a serious health concern and need assistance with services, please call **800.821.6136** and ask for the Care Management department.

Your personal health care nurse can help you:

- ▶ Communicate effectively with your health care providers
- ▶ Understand your medications and treatment plan
- ▶ Identify appropriate health care services and community resources
- ▶ Find tools to self-monitor your symptoms
- ▶ Implement healthy lifestyle changes and medical therapies
- ▶ Maximize your GEHA medical plan benefits

Do you need a second opinion?

GEHA has a team of professionals who can help you understand your options. Our second opinion program provides you the opportunity to get a thorough assessment of your diagnosis by GEHA nurses. We then guide you to an in-network provider who specializes in your condition.

Medicare benefits + GEHA.

GEHA works with Medicare A & B.

With GEHA's High Option plan, a sudden hospital stay, a prolonged illness or a major surgical procedure won't overwhelm your budget.

- ▶ **Waived deductibles, copays and coinsurance:** GEHA waives deductibles, copays and coinsurance whether your provider is in- or out-of-network.
- ▶ **No cost to you:** For covered inpatient and outpatient hospital services, surgeries and office visits, your cost is **nothing**.
- ▶ **Care wherever you are:** If you need medical care while you're outside the United States, copays and deductibles are still waived.
- ▶ **Comprehensive prescription coverage:** GEHA's High Option plans include quality prescription coverage. High Option members have reduced copays for covered prescriptions.
- ▶ **Added coverage:** GEHA members also get vision coverage and **\$2,500** toward hearing aids every three years.

\$600 Medicare Part B premium reimbursement

New for 2020, when you have Medicare A & B, GEHA helps you with your Medicare Part B premium payments.
